

GO THE DISTANCE

WITH GENUINE CAT® TRUCK ENGINE PARTS

Your Cat® on-highway truck engine is built to go the distance — it just takes repairing and overhauling with genuine Cat truck engine parts. Unlike other brands, genuine Cat parts are engineered to your Cat engine's exact specifications, giving you peace of mind that the parts you install today will keep your truck engine running at peak performance far up the road.

THE CAT REMAN DIFFERENCE

When your Cat on-highway truck engine runs with Cat Reman parts, you don't just save money. You also get exactly what you need for the next million miles on the road — all at a fraction of the cost of new.

- » **Same-as-new quality:** Cat Reman parts undergo the same validation and testing as new parts.
- » **Exceptional performance:** Because Cat Reman parts receive the latest engineering updates, performance (including fuel economy) may exceed your original part.
- » **Industry's best warranty:** Cat Reman parts come with an unlimited-mileage, 12-month standard warranty that covers contingent damage. You also have the option to add extended coverage for up to 48 months.
- » **Unmatched support:** There are over 2,000 authorized Cat dealers in North America. With extensive parts, service and expertise, your dealer will keep your Cat on-highway truck engine on the road for the long haul.

CORE CREDIT FOR ANY BRAND? YES!

YOUR TURBO AND/OR WATER PUMP CORE QUALIFIES FOR FULL CREDIT IF:

- It is a Cat or comparable aftermarket core
- It is fully assembled and complete
- It has minor housing or flange damage
- It has compressor and turbine wheel damage or is unable to rotate
