

# POWER CUTTERS

## WITH TOMORROW'S TECHNOLOGY

RELY ON A HUSQVARNA POWER CUTTER TO EASILY CUT STONE, CONCRETE, ASPHALT AND MORE.

### HUSQVARNA K4000

STARTING AT \$950<sup>00</sup>

- Minimizes amount of water & slurry
- Forward Rotating Blade
- Adaptable for dry cutting

- 5 IN. CUTTING DEPTH MAX
- 14 IN. BLADE DIAMETER MAX

### HUSQVARNA K770

\$1,050<sup>00</sup>

- Semi-automatic SmartTension™ System
- Low Vibration & Less Strain
- Suitable for Road Work
- Easy to Cut in Straight Line or Curved Track

- 5 IN. CUTTING DEPTH MAX
- 14 IN. BLADE DIAMETER MAX

### HUSQVARNA K970

\$1,575<sup>00</sup>

- Sturdy, Reliable & Lightweight
- Withstands Climate & Fuel Variations
- Suitable for Road Work When Paired With Corresponding KV970 Trolley

- 5 IN. CUTTING DEPTH MAX
- 14 IN. BLADE DIAMETER MAX

### HUSQVARNA VH5

\$44<sup>99</sup>

**OPTIMAL:** Concrete hard, concrete medium, concrete soft, concrete, brick, roof, tile, cured concrete medium, cured concrete soft

**GOOD:** Reinforced concrete, granite, natural stone

**ACCEPTABLE:** Marble, block, abrasive, ceramic tiles

**FITS:** K2500, FS413, FS524, K3000 Vac, K40, K3000 Wet, K760, K760 w/ Oil Guard, FS520, K3000 Cut-n-Break

### HUSQVARNA VH5

\$75<sup>00</sup>

**OPTIMAL:** Block, abrasive, green concrete (abrasive) hard, green concrete (abrasive) soft, asphalt

**FITS:** K2500, FS309, FS413, FS524, K3000 Vac, K40, K3000 Wet, K760, K760 w/ Oil Guard, FS520, K3000 Cut-n-break
